

OCTOBER 4-11, 2003

Keep Space For Peace

INTERNATIONAL DAYS OF PROTEST
TO STOP THE MILITARIZATION OF SPACE

*Look up tonight.
The magnificence of the sky
is nearly obscured by competing
light from our crowded cities. Yet space belongs to all of creation, not to
the powerful, aggressive forces that seek to lace it with nuclear poison and
military instruments of death and destruction. Speak out. Demonstrate.
Protect the space wilderness.*
