

CANCEL THE \$1.7 TRILLION F-35 FIGHTER JET PROGRAM

WORLD'S MOST EXPENSIVE WARPLANE IS WRECKING THE CLIMATE

The Lockheed Martin F-35 stealth fighter jet programme is a fossil fuel-powered global weapons system. It is directed by the U.S. Department of Defense and is projected to have a life-cycle cost of \$1.7 trillion according to the Government Accountability Office.

Seventeen countries have irresponsibly bought or are buying these F-35s: United States, United Kingdom, Germany, Italy, Netherlands, Belgium, Norway, Denmark, Finland, Poland, Czechia, South Korea, Japan, Australia, Canada, Israel and Switzerland. F-35s have been used to bomb Iraq, Syria and Gaza.

The F-35 burns 5,600 litres of fuel (1,480 gallons) & costs \$41,000 USD per flying hour. The F-35 is causing carbon lock-in and preventing rapid decarbonization. The F-35 program must be cancelled to avert catastrophic climate change.

KEEP SPACE FOR PEACE

INVEST IN CLIMATE EARLY WARNING NOT SPACE WAR

Space should be a protected global commons not a new battleground for war. Space technology should be used for the early warning of climate-induced natural disasters not for targeting of air & drone strikes. Rocket and satellite launches release greenhouse gases and toxic air pollutants and can cause space debris. Keep space for peace not war.

CUT MILITARY SPENDING FOR CLIMATE FINANCE

According to the Stockholm International Peace Research Institute (SIPRI), global military spending has increased to a record high of \$2.24 trillion. Military spending must be reduced and re-allocated for climate finance and adaptation.

MARK YOUR CALENDARS: NO TO NATO PROTEST IN WASHINGTON DC, JULY 2024

The North Atlantic Treaty Organization (NATO) is a U.S.-led carbon-intensive military alliance of 31 Western countries. Its fossil fuel-powered wars and weapons systems have exacerbated the climate crisis. Former President Evo Morales said, "NATO is the greatest threat to peace and security and must be dissolved." Join us to protest NATO outside the 75th Anniversary Summit in Washington D.C. from July 9-11, 2024. Save the Climate, Abolish the Alliance! #NoToNATO
